Trahan Architects + Quinn Evans

Long-Listed A/E team (listed above):

The Pennsylvania State University (PSU) wants to first thank all (24) teams for submitting Letters of Interest for the Sackett Building Renovation and Additions project. We reviewed the LOIs collectively and determine the top nine (9) firms as the Long-List for this project.

We invite the above (9) nine firms to continue to the next step in the process, the Request for Proposal, stage. PSU is finalizing the Request for Proposal and will post it to the website early next week. In advance of the RFP, we wanted to notify the Long-Listed A/E teams.

As apart of the RFP, we will be including a few possible dates for on-campus tours of the building/project. Otherwise, the schedule remains, exactly as it was previously.

A/E Team Selection Schedule (remaining):

- Proposals from the long-listed teams are due at Noon, Eastern Standard Time (EST), **May 6, 2022**.
- The Screening Committee will choose three firms from the RFP respondents. The short-list results and interview notice will be posted on the OPP website by the end-of-day, **June 2, 2022**.
- On **June 30, 2022**, in-person interviews will occur at The Penn Stater Hotel and Conference Center in State College, PA. This date will not change, so please plan accordingly.
- The A/E Team selection process results will be posted on the OPP website in **July 2022**. We plan to start immediately after contract negotiation to align with the project schedule.

The forthcoming Request for Proposals (RFP) will hopefully answer any questions you have. After the RFP posts, please reach out to me (information below) or the Facility Project Manager Brian Hayes (bwh11@psu.edu or 814-863-4665) with any questions, including any specific to the project itself, the RFP/Proposal, Proposal requirements etc.

Participation in this A/E Team selection process is voluntary and at no cost or obligation to PSU. PSU reserves the right to waive any informality in any submissions and reject any submission or portion thereof. PSU reserves the right to modify dates as it deems necessary.

CONFIDENTIALITY AND NON-DISCLOSURE

A/E Teams may not make news releases about this project without prior approval from PSU and then only in coordination with PSU. In addition, all information, documents, and correspondence shared within the A/E selection process are to remain confidential and, as such, are not be made public in any manner.

Thanks again to everyone involved!

Kindest Regards,
